Travelling as an exhibitor brings its own challenges. Requiring extra luggage allowance, travelling with scissors, flying in at separate times so no group rate. Information Station has now taken care of all of that and can assist with flights, accommodation and transfers for those heading to exhibitions for buildup and the show itself. Our accommodation includes wide spaces in rooms and snack packs for that early hunger pangs on the stand!

Flights

Flights include all extra's and start from R389 to Cape Town. The rate also includes transfer to and from the hotel. There is no limit to how many may travel in one group and no minimum.

Clients may make use of the flights without using the accommodation option and BBAGZ are included in the price with R5000 worth of travel insurance during the flight.
